

MISSION to the CITIES PRAYER MAP

Pray Your Way Around the World!

There are 600+ cities of a million or more worldwide. They've been laid out here to look like a subway map. The subway lines of varying colors represent the regions of the world church. The stops, or dots, on each line are the cities of a million or more within each region. Please pray for one city each day and check them off as you go! 📅

This map is based on data compiled by Thomas Brinkhoff (citypopulation.de) and other sources. The Brinkhoff list focuses on agglomerations, so smaller cities on the periphery of larger cities are absorbed into the total population of the larger cities, even in cases where the smaller city has a population of over one million. For this reason, Brinkhoff's data for CHUM's 117 agglomerations represent more than 300 cities of one million+ within that field.
